Do you have anything that you would like to bring in for your folder?

Here are some ideas for activities you could do at home this term. They are completely optional, you do not have to and there is no deadline. These are ideas for you to try if you wanted to continue the learning fun at home. You could choose as many to do as you like, you can be as creative as you like and we would love to hear about or see what you achieve. These are for this half term and there will be some new ideas and a new topic after the June half term break.
